Description

This 2018 DS 3 BlueHdi Connected Chic boasts exceptionally low mileage for its age, having covered just 38,734 miles. This particular example has had only two owners and comes with a full service history, with its last service completed on 14 November 2025 at 37,555 miles. The vehicle is a Euro 6 compliant 1.6 litre diesel model and its MOT is valid until November 2026, with a clear vehicle history check confirming its excellent condition., , The DS 3 BlueHdi Connected Chic offers impressive fuel economy, achieving an outstanding 83 miles per gallon, which is significantly better than many other vehicles in its class. Its low CO2 emissions further contribute to its economical running costs. This combination of excellent fuel efficiency, low mileage, and comprehensive history makes this DS 3 a compelling choice for those seeking a well maintained and cost effective compact car.
