Description

This 2018 Toyota AYGO VVT-i x-play presents an exceptional ownership proposition with its remarkably low mileage of just 16,330 miles, a figure significantly below average for its age. This well maintained example boasts a full service history, with its last service completed on 2026-06-10 at 16,265 miles, and comes with a clear vehicle history check for your peace of mind. Having had only two owners since new, this Euro 6 compliant 1.0L petrol model is ready for its next chapter, and will be supplied with a 12 month MOT for added reassurance., , The AYGO x-play is designed to be an economical and practical choice. Its impressive fuel economy of 69 mpg means fewer trips to the petrol station, and its low CO2 emissions contribute to a more environmentally friendly drive. Furthermore, its placement in a low insurance group makes it an affordable option for many drivers, highlighting its cost
