Description

This 2020 Vauxhall Corsa Turbo SRi Nav comes with a full service history and a clear vehicle history check, providing peace of mind for your next purchase. This hatchback is powered by a 1.2 litre petrol engine that meets Euro 6 emission standards, making it a practical choice for modern driving. The vehicle has been well maintained, with its most recent service completed on 17 March 2026 at 42,724 miles. Furthermore, the car is ready for the road with an MOT that remains valid until February 2027., , The performance and efficiency of this model set it apart from many others in its class. Drivers can expect a fuel economy of 52 mpg, which helps to keep running costs manageable during daily commutes or longer journeys. In addition to its efficiency, the car offers responsive handling, capable of accelerating from 0 to 60 mph in 9.3 seconds. These combined attributes
