Description

This 2011 Nissan Micra Visia is a practical hatchback powered by a 1.2 litre petrol engine. It has undergone a vehicle history check, which has returned a clear result, providing peace of mind regarding its background. As a Visia trim model, it offers a straightforward and reliable driving experience suitable for daily use., , The vehicle is designed with efficiency in mind, offering a fuel economy of 57 mpg, which helps to reduce running costs. It is also positioned in a low insurance group, making it an economical choice for a wide range of drivers. Furthermore, the car benefits from low CO2 emissions, which contributes to its overall efficiency compared to many other vehicles in its class.
