Description

This 2010 Fiat 500C Pop is a well-maintained example of the popular convertible city car. It is powered by a 1.2 litre petrol engine, which provides a reliable driving experience suitable for both urban commutes and longer journeys. The vehicle has been kept in good condition and comes with a clear vehicle history check, offering peace of mind to its next driver. Furthermore, this particular car has had only one owner from new, reflecting careful usage throughout its time on the road., , Choosing this model offers several practical advantages that make it a sensible choice for cost-conscious drivers. It is particularly economical, achieving an impressive 55 mpg, which helps to keep running costs manageable. In addition to its fuel efficiency, the car falls into a low insurance group, making it an accessible option for a wide range of motorists. Its low CO2 emissions also contribute to its overall efficiency,
